

DEPARTMENT OF NEW YORK

**CAMP COMMANDERS' AND SECRETARIES' RESPONSIBILITIES FOR  
PROVISION OF UPDATED CONTACT INFORMATION**

As a result of Department Order #12 the provision of providing updated contact information is as follows:

The Camp Commanders and Secretaries will be solely responsible for the contact information to be updated on our Camps Page by sending the information to the webmaster.

Furthermore, it will also be the Camp Commanders and Secretaries' responsibility to inform via email email addresses for all elected and appointed Officers counterparts at camp level and Committee Chairmans if their brothers are serving on the Committee.

The biggest grievances from the Camps are communication. The Department cannot effectively communicate if the camps are not forthcoming with contact information.

Contact information is vitally important not just communicating amongst ourselves, but for recruitment and retention efforts. All this is now on the Camp

Commanders and Secretaries' shoulders to ensure the appropriate officers and Committee Chairmans have the correct contact information.

Our success as a Department and Camps rest with all the brothers in our Department. Let us not fail.

Yours in Fraternity, Charity, & Loyalty
