NEW MEMBERS' APPLICATION AND FORM 27 PAYMENT PROCESS

The 20 July 2026 Department Quarterly Zoom Meeting discussed a time delay for new members' applications due to checks being sent to Department Treasurer then a check being sent back to the Department Secretary before the new member application can be forwarded to National.

To cut delay times it was recommended that two payments be made when submitting a new member application. One payment for the National Per Capita plus Application Fee and another Payment for the Department Per Capita. The National Per Capita will be a check sent with the application. The Department Per Capita can either be sent by separate check with application or a copy of transmission sending the Department Per Capita through the Department of NY PayPal/Venmo link on our website.

To expedite our payments with the Form 27, the same process will apply. Send two payments with your Annual Form 27.

This process will help the Department Secretary to streamline the submission timeline significantly.

I hereby so Order that every Camp implement this two payment process.

Yours in Fraternity, Charity, & Loyalty
