- 4. Pursuant to Article XI, section 2 of the Bylaws of the Department please accept this as a summary of the annual report of the Department Secretary and Treasurer. Per the Secretary as of 2011 May Camp status reports the Department had 543 members and 21 juniors in 19 Camps, which is an increase of 25 members and juniors from the prior year. Per the Treasurer, as of May 13, 2011, which predates the Department Encampment, our total gross income of the Department for the year to date was \$9,946.00 with the primary income so far from dues. Total Expenses to date were \$568.42. It is important to note that since this report predates the end of our fiscal year these figures are incomplete and do not include the income from recent fundraising at the Encampment nor does it include the expenses of the Encampment, nor the officers end of year expenses nor the payment of per capita dues to National. Our 2010 budget projects a small deficit by the end of the fiscal year.**

In consultation with Donald Zeilman the Department Signals Officer the Newsletter will be published on the Department Website on or about August 1, on or about December 1 and on or about April 1.
