

DEPARTMENT ORDER # 5
July 11, 2012

- 1. The Department of Pennsylvania, SUVCW and the Department of New York, SUVCW are interested in jointly hosting a National Encampment in August 2015 possibly in Elmira, New York. It is hoped that further discussions regarding this possibility will take place between the two Departments and the National Encampment Site Committee at the National Encampment this August. In order to further study the feasibility of this possibility the Department of New York will create a National Encampment Exploratory Committee whose initial membership will consist of Past Commander in Chief Danny Wheeler and myself as Department Commander. Any other brother who is interested in serving on this committee should contact the Department Commander.**

- 2. The Department has been seeking an Assistant Webmaster to assist in maintaining certain web pages and creating new content on the Department Website. Brother Bob Paul has volunteered his time and effort to help in this area. By the power vested in me as Department Commander, I hereby appoint Brother Bob Paul as Assistant Department Webmaster.**

So Ordered this 11th day of July, 2012
Jeffrey Albanese, PDC
Department Commander, Department of New York
SUVCW

Attest;
Michael Bennett
Department Secretary
Department of New York, SUVCW
