Department Order #1, 2018-2019

1. I want to thank everyone for their work last year.

The encampment faced several difficulties but I think it was very successful because we all worked to make it happen.

2. The Headquarters is transferred to my home address as stated above.

You can reach me by email or phone. (also above)

3. At the end of the 135th encampment, according to our Department Treasurer Jeffrey Albanese, we have a balance of \$ 12,889.13 in our checking operating account.

4. Please check the National and State web sites once a week to see what new issues have appeared

5. The two biggest problems are recruiting and communication. Please respond to emails by sending just the word received, so we know that a connection has been made.

6. I am also my camp's secretary and have a new insight into that position. (Kudos to Brother Pugsley) It is a tough job especially at his time of the year with the encampment and annual reports due (April 30th). Please assist or delegate minor tasks to other members.

7. I am working on filling the offices of the Department, the next encampment and midyear meeting.

So ordered on this, the 25th of April, 2018

In Fraternity, Charity and Loyalty

Leo McGuire, Commander
