DEPARTMENT ORDER # 4-24

LAST UNION VETERAN PROJECT

Thanks to the years long exhaustive research by Department Councilman Brian Castler, PDC a list of the last Union veteran buried in each county in New York is now available on our website under projects. By my authority as Department Commander, I hereby direct the composite Camps that make up the Department of New York to begin marking with SUVCW Last Union Veteran markers those graves in counties that fall within their camps purvey. Appropriate ceremonies should be held and documented to this office in order to fulfill the National SUVCW Last Union Veteran project which began in 2003. I also extend the heartfelt thanks of the Department to Brother Castler for his work in marking this project a reality.
